LOT 27 - Two 1921 P Morgan Silver Dollar Coins - Philadelphia Mint, Circulated Silver

Description

This lot includes two United States One Dollar Morgan Silver Coins, both minted in 1921 at the Philadelphia Mint, indicated by the absence of a mint mark. Each coin is composed of 90% silver and 10% copper. These coins are in circulated condition, exhibiting typical wear consistent with their age and use. They feature a degree of toning that adds to their historical appeal, with minimal original luster remaining. Neither coin has been slabbed or graded by a third-party service., Condition: As-Is
